

THE PROJECT

The software development company El Cubo.dev came to me to design the interface for its institutional website.

They wanted a simple, minimalist website where the main objective is to showcase the company's previous projects.

TOOLS

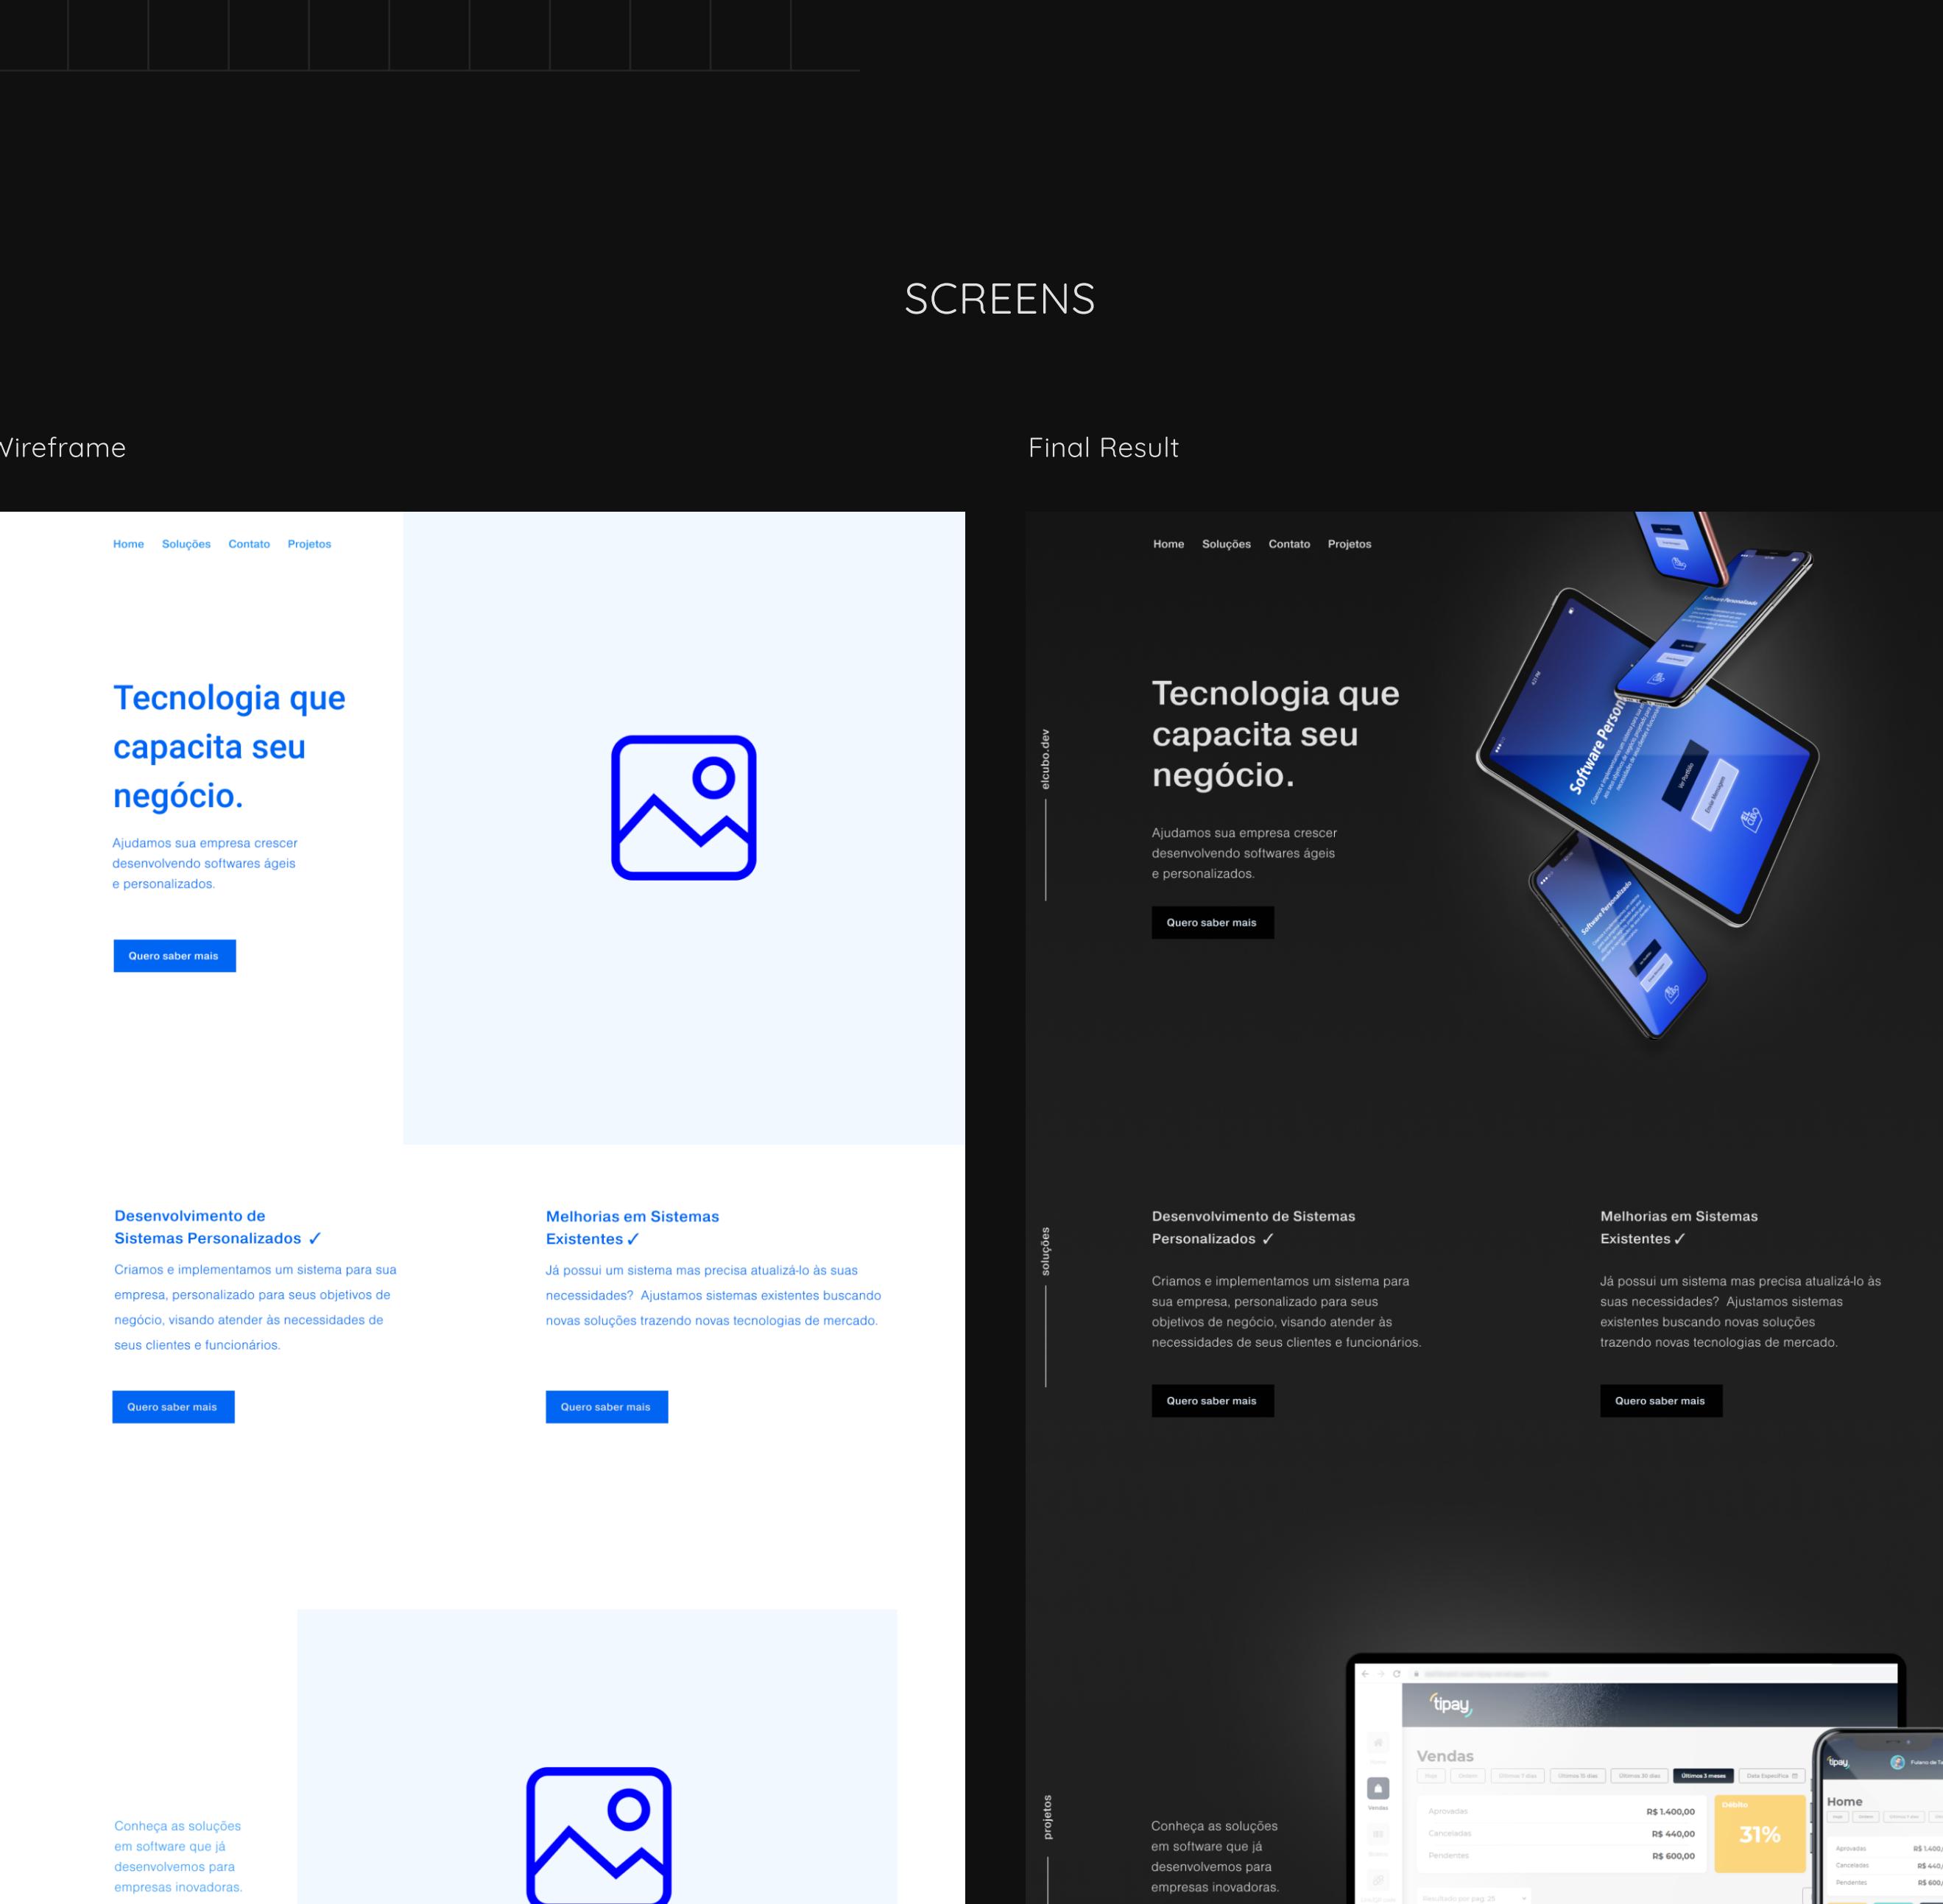

The right tools can streamline the creative process. It was used in this project:

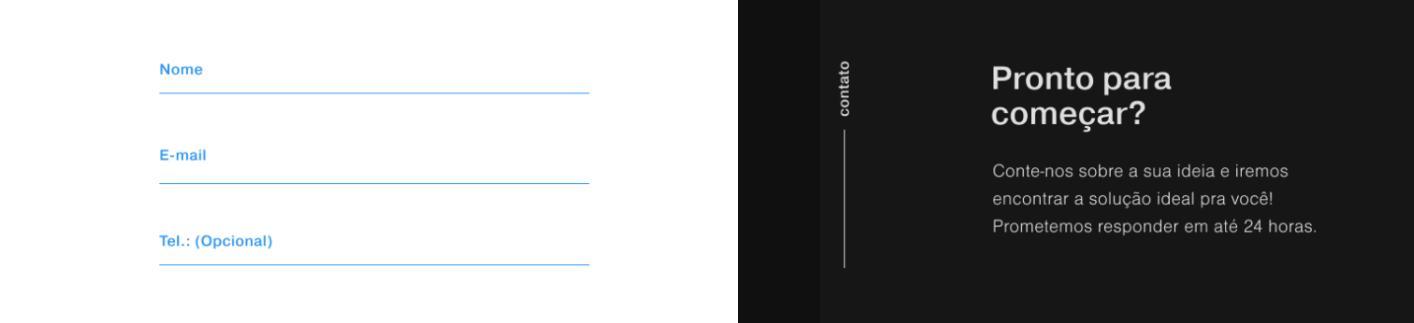

KEY WORDS

minimalism; software; technology; institutional; portfolio.

USER FLOW

COLORS & FONTS

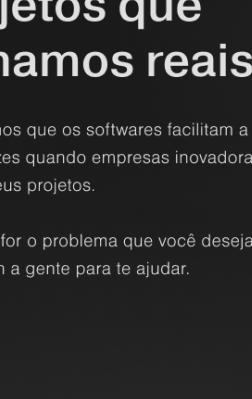

*Colors are used on hover buttons

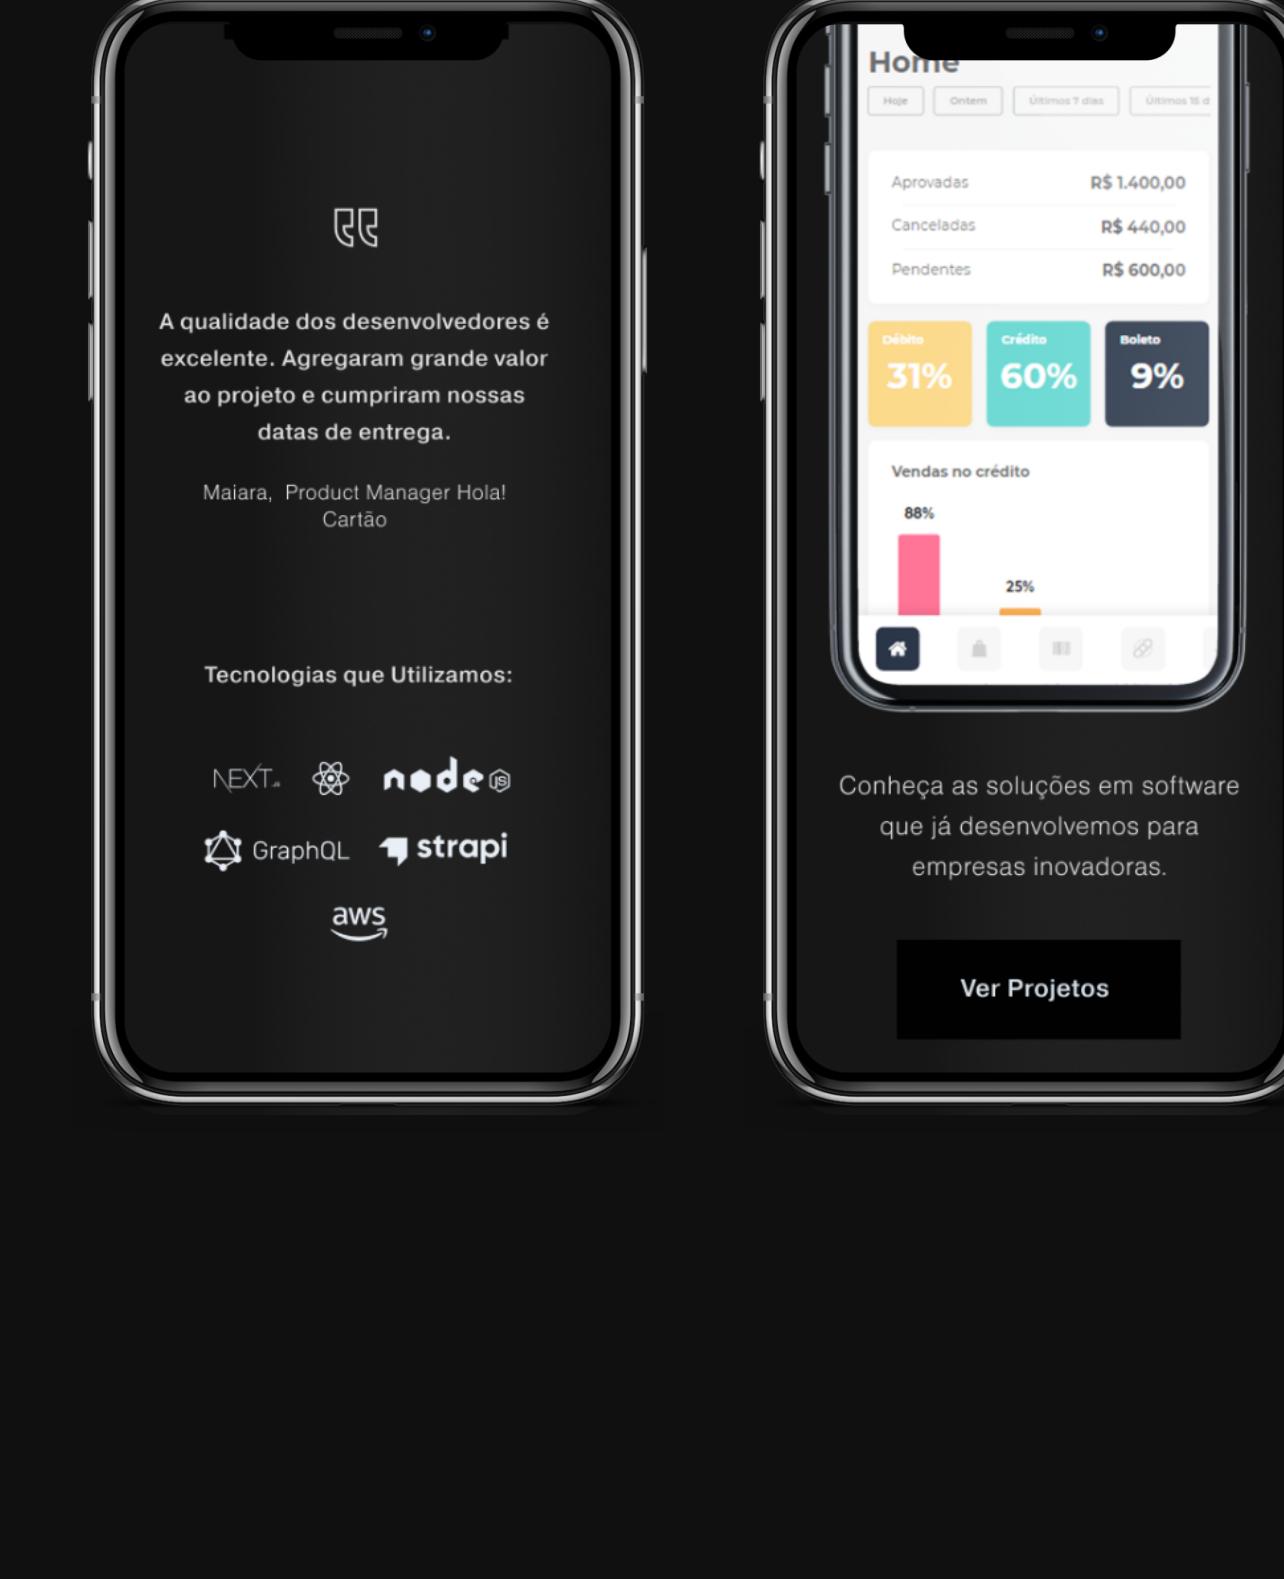

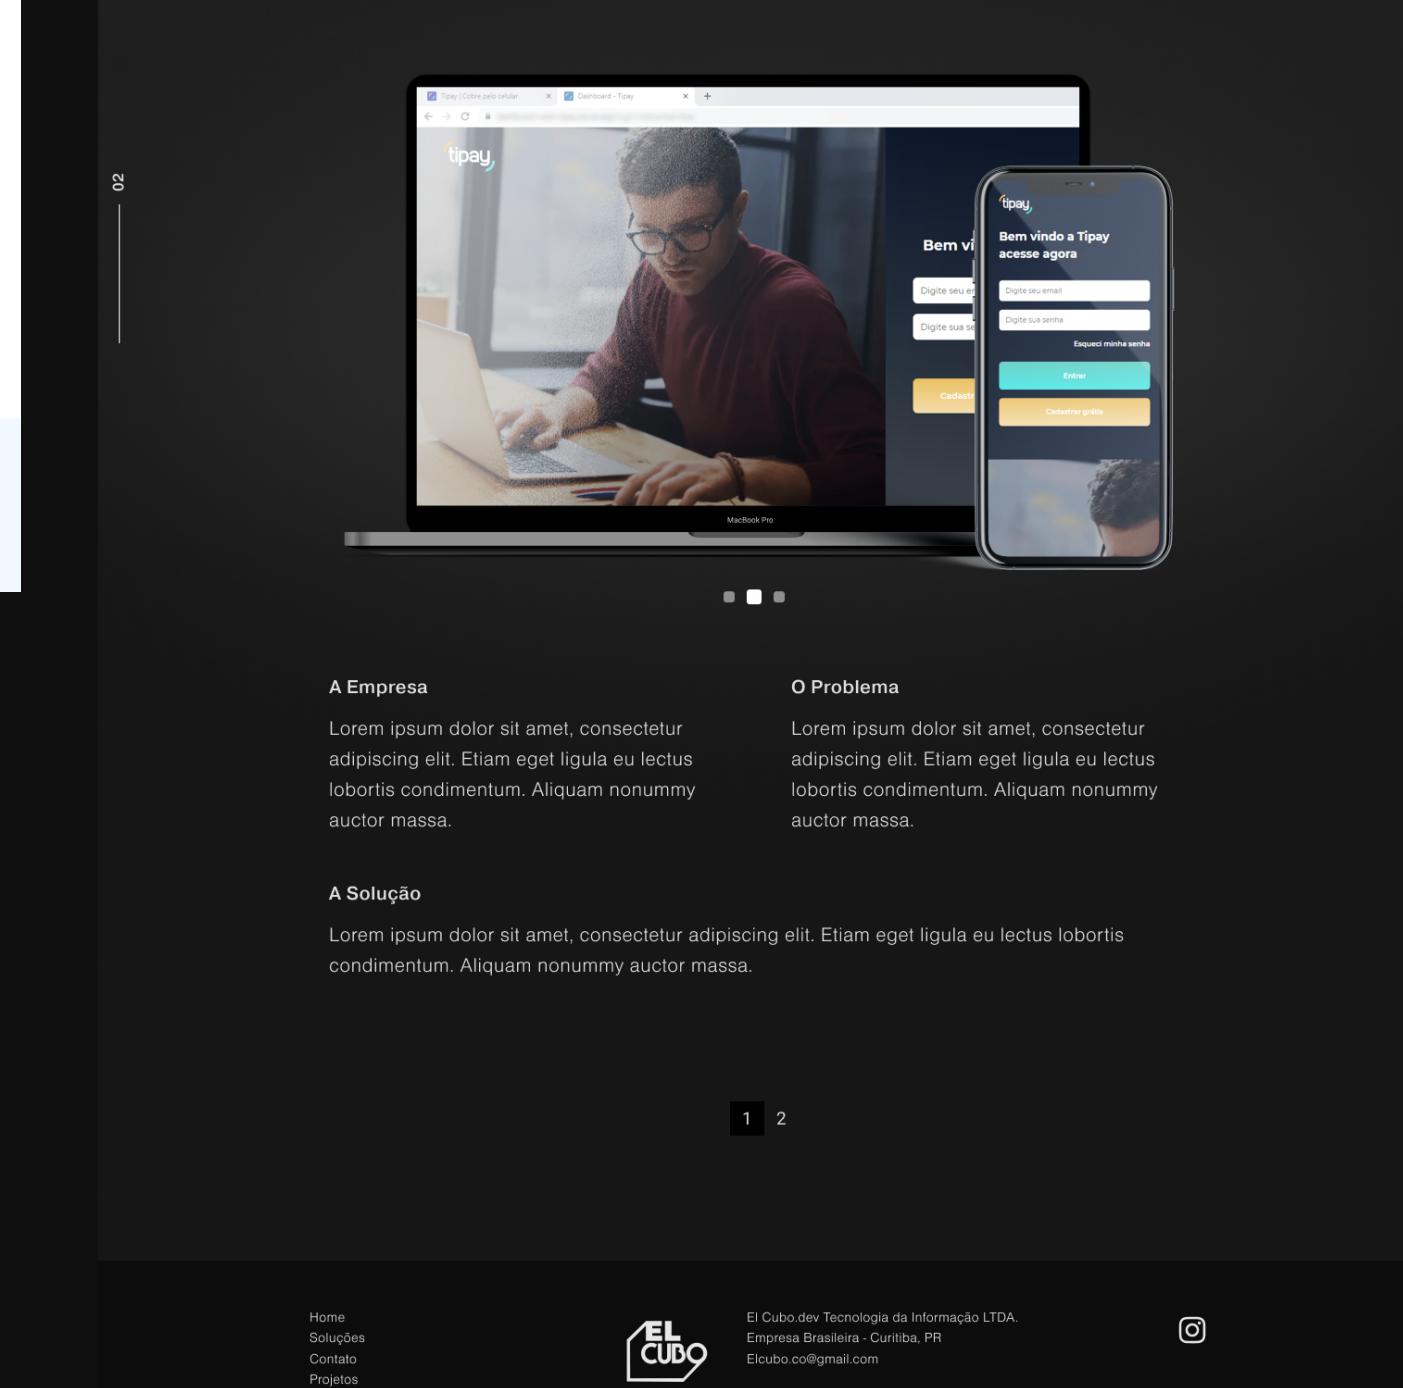

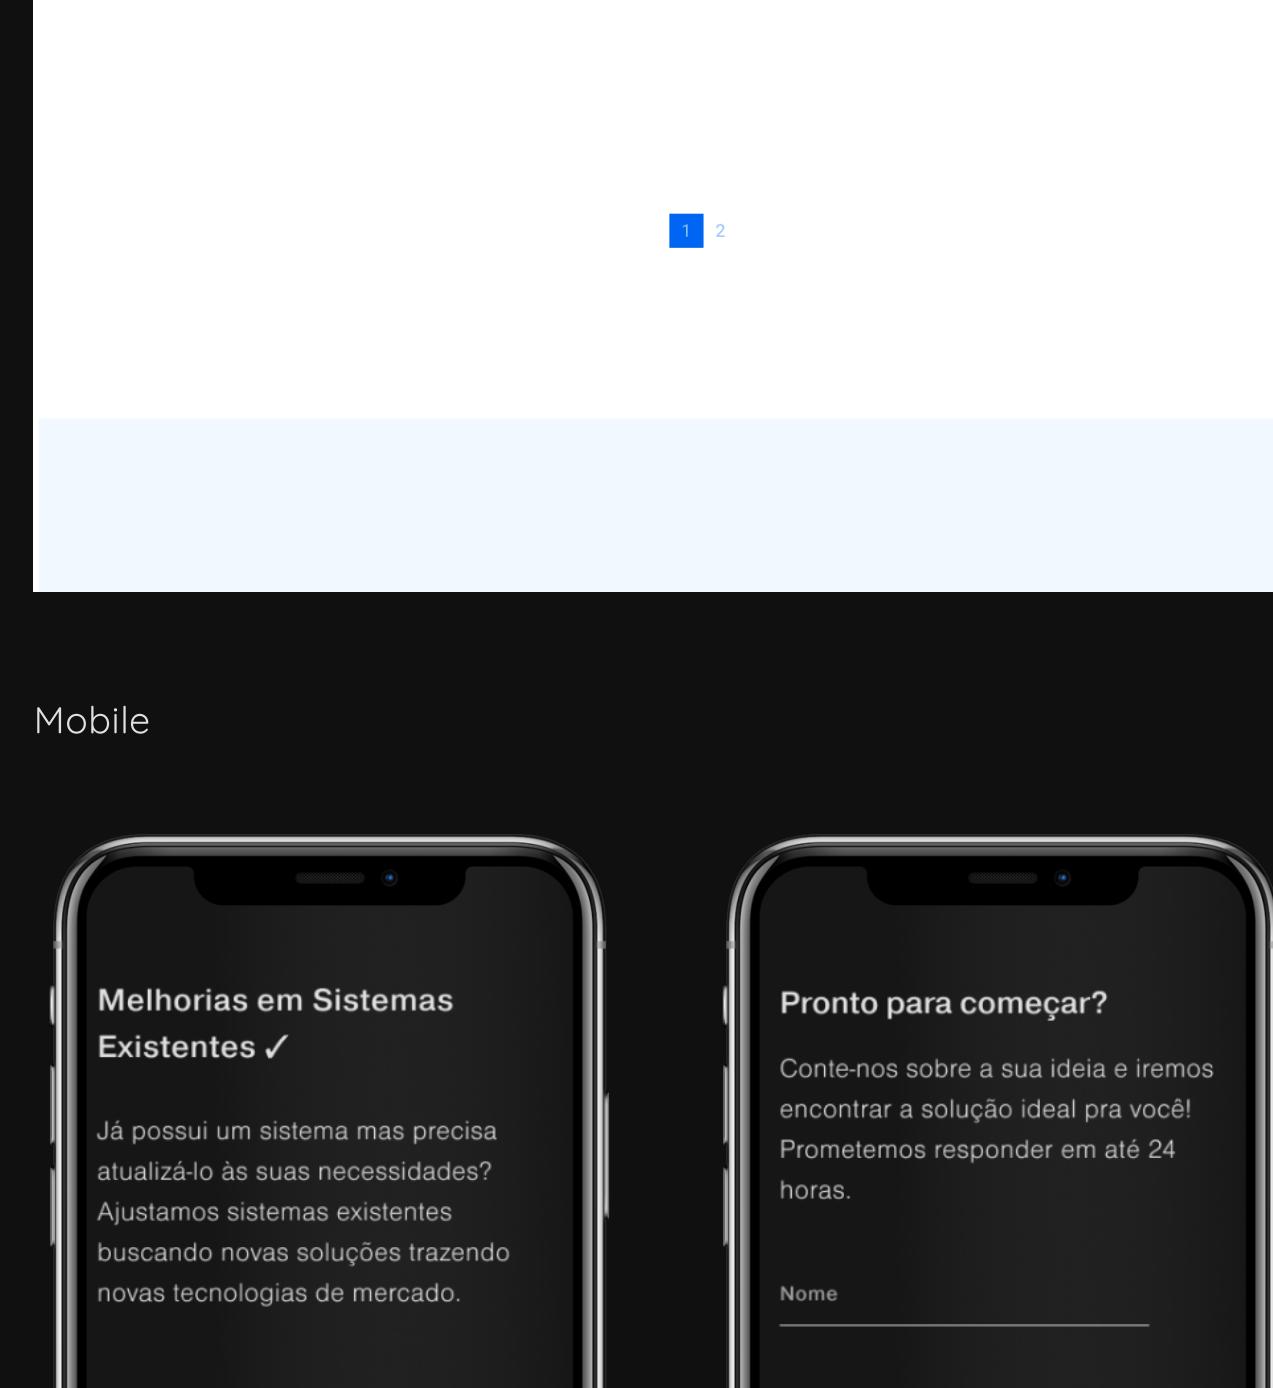

Font

Nimbus Sans
Pragmática

Logo

SCREENS

I APPRECIATE THAT YOU GOT THIS FAR. ❤
